

| Term                  | Definition/Formula | Picture | Example |
|-----------------------|--------------------|---------|---------|
| Central Angles        |                    |         |         |
| Inscribed Angles      |                    |         |         |
| Angles Outside Circle |                    |         |         |
| Angles Inside Circle  |                    |         |         |
| Tangents              |                    |         |         |
| Chords                |                    |         |         |

| Term                    | Definition/Formula | Picture | Example |
|-------------------------|--------------------|---------|---------|
| Segments Inside Circle  |                    |         |         |
| Segments Outside Circle |                    |         |         |
| Radians                 |                    |         |         |
| Arc Length              |                    |         |         |
| Area of Sector          |                    |         |         |
| Equation of Circle      |                    |         |         |
